Hongeong, February 18th, 1895.

THE shareholders of the Hongkong and Measures, and other Commercial Information, Shanghai Bank were in great good humour at the half-yearly meeting of that institution on Saturday. And with good reason, for the Bank is in an excellent position; it has been successfully steered through one of the most acute and prolonged financial crises ever known, and there is a general feeling abroad United States: Tientsin, 1858, Additional, that we are now on the threshold of a period of prosperity which will make up for the lain years of the recent past. The Club, Kick off at 5 p.m. on the Kowleon Docks shareholders get an increase of 5s. in their dividend and in their gladness of heart they increased the directors' remuneration and sanctioned a bonus to the staff. Good work deserves recognition and there is little to cavil at in what was said and done on Saturday, though some of the shureholders may look back regretfully to the times when | demic in Madrid and is causing great mortality. they received a two pound dividend with a bonus of ten shillings added, just double shot a man named Watts at Yokohama a short Subjects in China and Japan, 1865, 1877, the present dividend. It will probably be a 1878, 1881, 1884, 1884, 1886, 1886. Rules long time before they get a return like that China, Japan, &c.; Table of Fees; Table again, for no doubt the recommendation of of Consular Fees: Code of Civil Procedure, Mr. Douglas Jones that not more than Hongkong, with Amendment; New Table of 23 should be paid as dividend in any one between France and Siam in August, 1894, is year until the reserve fund has reached a the Consular Courts of United States in million sterling will be acted upon by the the valley of the Makeng. In the Battambong Board of Directors, the policy being a sound one. Recent experience has shown how important a large reserve fund is and the Bidet. permanent interests of the shareholders will and condensed in every possible manner, con- be best consulted by devoting a reasonably large proportion of the annual earning to building up the fund and although very much enlarged and improved the amount mentioned by Mr. DougLA in every way, the price in silver is now greatly Jones. At present the reserve fund stands at \$5,000,000 or rather less than half a

I suggest that that sidering the present hig., price of such securi- control and many other interests to look after, to amount be paid to the Directors for the hal yearties. I may remark that we have not written drop them all and come here whenever summoned, that we vote them an extra \$10,000. I have seen up any of our sterling securities; as I men- and at least onde a week, to attend to our in- this Bank at a time of very great prosperitytioned at the last meeting they show a very terests; and it would be a matter of shame to us if perhaps on paper in a much more presperous large profit upon the price at which they stand wanting and demanding to have such men we did condition than it is to-day. I have also seen it in in our books. (Applanes). Bills payable and not remunerate them adequately. I said-adequate rather low water. I think therefore that the bills receivable stand at \$12,331,000 for the ly, but it is not a mere question of that; it is not somewhat landatory speeches we have heard toformer, and \$57,530,000 for the latter, pretty a question of supply and demand of services day, although called for yet I think perhaps we much what they were last half year; buth rendered and paid, I'he Bank has taken front might hesitate somewhat before we put our itams are swidence of a very large current rank amongst the banks of the world and must seel es on too high a padestal, b cause it would business going on. Up to the present the war now allow a little for style. There are Di- be very awkward indeed if we should find ourbetween China and Japan has not had much rectors and Directors; and no doubt you can get selves in low water I am very glad indeed that effect upon trade, but should it continue for cheaper ones, but just as we Britishers prefer the bonus of 10 per cent. has been voted to the any length of time, and the aphere of its opera- to maintain our position among the nations by staff, and that we fully racognise the able work tions be enlarged, the effect would be most supporting a monarchy, even at great expense, performed by the staff. I should not oppose for serious to all foreign trade; let us hope that rather than run the thing cheap as a Republic, a moment the voting of \$10,000 to Directors, peace may soon be an accomplished fact. (Ap- so must this Bank keep up its pretensions and but I propose that it should be put in the form plause). During the half year the Bank nego not be niggardly with its representatives. We of -what shall we call it? -a bonus an additisted a loan of Tis. 10,900,000 for the Chinese bave an increase of 25 per cent. un our dividend, tional remuneration. Government in Loudon with satisfactory results, and have put by a large amount for the proand quite recently a further loan for 23.000.000, verbial rainy day; and though there was a time an expression of opinion, Mr. Jones, or do you both loans secured by the Chinese Maritime when, as Mr. Dodwell said, it was necessary to move an amendment? Customs. Dealing so largely as we do with silver. be just before we were generous, I think you will Mr. Douglas Jones-Merely an expression I suppose I am expected to say something about all agree with me that the time has now come of opinion. the white metal. Our policy has been and is to when we can afford to be generous too. take things an they come, and by guided from therefore move that the future remuneration tion, I should like to know what is the remuday to day by the news we receive. We flud it of the Directors be increased from \$20,000 to much easier to swim with the stream than against \$30,000 per annum; but before sitting down. We continue the policy of keeping as far as and while on the subject of Directors, I would possible upon an even keel with regard to our like to add my tribute to the memory and the gold commitments. We are doing so well in our worth of him who was sitting in that chair this

sent moment. (Lond applause). I shall be very I should say exchange was probably 2d. or 3d. the grave interests entrusted to our charge. glad to answer any questions which the shere, higher than par value. That is one reason why Considering all things I am by no means sure holders may wish to address to me before moving the Directors might reasonably look for an that a Bank Director's lot is one altogether to The CHAIRMAN-There being no questions I emplainents home. But there is another and very often to have to attend only to one's own beg to propose that the report and accounts be very much greater and more interesting reason individual affairs—but it is terribly trying work Mr. U. B. Donwert said-Mr. Chairman and development of the Bank's business and its re- ple's interests is added. I am sure, gentlemen. gentlemen, I have much pleasure in seconding sources. In 1865 it was a small local bank, you can realise and appreciate the apprehension the report and accounts embmitted, and in doing Wast is it now? The other evening I said to a that cannot but he felt when things are going so I wish to congratulate the management on gentleman who probably knows more about the anything but satisfactorily. You may rest our the very satisfactory results they have been able congkong and Shanghai Bank than anybody tain gentlemen that your Directors in their turn, give us an increase in our dividend of 5 shillings . You, and a good deal more than that." I have full share of the verstions and disappointments per share; but they sllow of the substantial been thinking of that ever sluce. If it were incidental to all commercial undertakings, but I am only too more especially to banking; but I am only too thereby bringing that fund up to \$5,000,000. thing, when you come to consider the enormous thankful to be able to bear testimony to the factand this has been possible after writing off the trade interests of China and India included in it. and I have been a member of this Board during large sum of \$160,000 odd from the Bank But I have been thinking the matter over, and the worst time the Bank hasever known, certainly premises and from dead stock. (Applause.) I quite agree with the remark passed to me. I during the last twenty years—that as yet, so far Bear in mind, gentlemen, that all this has have not the slightest doubt if it is not now, it as we are concerned, we have never had to feel been accomplished during very trying times, will very soon be, not only the Bank of Asia anything in the shape of actual anxiety. Conto the Address said that he did not hope for a de- with silver flustrating, and falling to we know but the exchange Bank of the whole world. () p. corning the future, you may rest satisfied, gentlefeat of the Government, but he desired to expose not where, and whilst as unhappy war is raging plause). From a staff of two or three it has men, that there shall be no want of care or vigination in corners and whilst as unhappy war is raging plause). From a staff of two or three it has men, that there shall be no want of care or vigination in corners and out, first by agencies and then by lance on our part, and we can only hope we shall appear out their tactions in keeping back the Home. Rule us these causes mean a diminution in our profits, its own branches, all over the world. These pever have to ask for any consideration at your and very much greater anxiety in obtaining branches are rapidly growing in local in- hands; but you must please bear in mind it is the it. Mr. Asquith in replying said that Home these lessened earnings; but, gentlemen, in fluence wherever they are, and bave gained unknown and unexpected that has chiefly Rule was not at present a vital question and spite of these troubles our great institution the confidence of the people there is to be guarded against, and make every allowance seems to be able to thrive and increase its profits not the slightest doubt, at I said before, that the for it. We will vonture to accept this exceedingly by leaps and bounds. (Appleuss). I look for Hongkong and Shanghai Bank, built as it is thoughtful and graceful addition on your part to ward to the future of the Bank with the greatest upon this little island-which is rook-will prove our honorarium in a double sense, partly as an confidence. Crdinary trade has undoubted itself to be as stuble as the rock upon which it is expression of appreciation for services rendered, ly been interfered with in a great measure built. Well, gentlemen, these results have not but more so as an indication of your confidence by the present war between China and Japan. been achieved except under the guidance of very in us as to the fature, and we can only sincerely but all of us are hopeful that peace will able men of business. I do not suppose that in trust you may never have cause for disappointspeedily be declared, and I trust that the any part of the world you will flud abler men of ment. There is no further business to submit rulers of China may see the mistaken policy business at the head of affairs—we have got the to you, gentlemen. This concludes the business at the head of affairs—we have got the pick of the busket, and I hope we will always of to-day, and I have to thank you for your attendhave men of this stamp on the Board of Di- ance. The dividend warrants will be issued on in railway and mining material and machinery, their capacity, they are as enterprising and

rectors of the Bauk. I do not think in the Monday. whole world you could find more capable men of business than you will find here. and I am quite sure that, apart from energetic as any bosiness men in the whole world. If it had not been for the enterprise and energy on the part of the Directors and Man- of a side, baying won the toss, has to think agement of the longkong and Shanghai Bank, twice as to whether he shall take the init might have remained a small local bank till nings or put his opponents in; but in the am very glad to notice that the good work this day, as it was in 1865. (Applause). I think, match between the Club and the Garrison, gentlemen, I have said quite sufficient to war- which was played on Friday and Saturday last, rant what you are asked to do. It is a very the necessity arose in a somewhat acute form. and that a bonus of 10 per cent. on their salaries small thing really to increase the remoneration cons very carefully we may fairly presume; but for 1894 has been included in these accounts of the Directors from \$20,000, at which it has either the resident to be too slaver after the event. and that a bonus of 10 per cent. on their salaries for 1894 has been included in these accounts. That this is most thoroughly deserved I am sure of the Directors from \$20,000. With a few checks, we will all agree. It is a long time since such a bonus has been given, but the withholding has a mindoubtedly been caused by the Directors wish to build up their reserve fand, until this has assumed satisfactory proportions, and to study economy in every way; in fact, to be just before ways than one, therefore, that the Directors, but also the Directors being generous, It is very assuring in more ways than one, therefore, that the Directors being generous, It is very assuring in the reserve fand and I am quite sure every shareholder will agree ways than one, therefore, that the Directors, but also to the management their thanks for being generous, It is very assuring in the post that all shareholders presently ill negradgingly support the soliton of the Board, and will believe if it had been purely a local origin it would be able to the staff and management their thanks for this not be a mere vote of thanks but an account, but I will not the work done. (Apples)

Roomed and the staff and management their thanks for the successful results achieved, and this time for the successful results achieved, and will believe if it had been purely a local origin it would be accounts, but I will not death you further the successful results achieved, and will not say that I have nothing but satisfaction to the accounts, but I will not death you further the successful results achieved the satisfaction to the saccounts, but I will not death you further the successful results achieved the successful results and the successful results achieved the successful results and th to express; the position is sound and good, and son, if you will remember, returned to the when Darly was out and 99 when Lammert—the

and were able to pay their liabilities over and over again, and yet down they went Mr. J. J. Beal Invine-I beg to move that When we consider what happened in Australia with perfectly, sound Banks, I think that you all, be grateful to the direction and management of this Bank for carrying you through an equally severe orisis with burdly a ripple on the waters so far as the outward eye can see. (Applause). Nobody lost his head; there was no panie; there was no fear. The direction and management here was greatly assisted and supported by Mr. Jackson in London who, I know, could not lose his head if he tried-if he had I should like to be the man to flud it; but it is absolutely phenomenal that we in this little island, in this out-of the way part of the world. should tide over all these troubles, this wave of

disaster which has rolled round the whole world, while pations and old-astablished firms and banks, perfectly solvent, went down. It is, therefore, for these reasons that I think you will cordially approve of the proposed increase in the remuueration of the Directors of the Bank and that you will tical appreciation of the work done. I do not read with me, although you do not express it, that El. Georg, B. Layton, J. S. Es-kiel, A. Haucock. refer to our Chief Manager. Mr. Jackson, for we Board of Directors for carrying us safely through the staff of the Bank generally. (Applause). Mr. DOUGLAS JONES - What I came here

remain open till shout the middle of September or No charge will be made for space occupied by pintures accepted for this section. Witness—No, your worship. Well, if it had Each picture should be separately framed. On the sen on the road I should have found it. back of the frame must be written the name and address of the exhibitor, with the title or description of the picture, and the number (if there is more than one) corresponding to the number in the entry form. (Entry

from is attached). Witness-If the bullet had been there, your The entry form must be sent with the pictures or The pictures must be received not later then Monday, 16th April, 1698, at 12 noon. They must be addressed, " Exhibition of Photography." Division 2, Imperual Institute, London, s.W. Pictures must be delivered, carriage paid, at the Mr. Wodehouse-Did you find any blood perial Institute or by band between 10.0 am. and 4.0 p.m. (Lo'elock on Beturdays.) The Imperial Institute will unpack, repack, and despatch, carriage forward, all exhibits sent in cases, which may be selected by the committee of advice. Every care will be taken of exhibits, but the Institute

will not us responsible for loss or damage. Entry forms will be supplied to exhibitors on Haiphong receipt of their pictures at the Odd Volumes Bolinso rooms. It is to be hoped that all mootographers. Lieut:-Colonel Barrow said-On the night of both professional and amateur, will do their best the 14th inst. between 9 and 10 o'clock I was in to send home a collection thoroughly representamy quarters when a report was made to me that tive of the advancement of photography in a native soldier had been shot. I at once went Hongkong. I shall be glad to give any further up to the lines and straight to the hospital, where information in my power. A copy of all the I saw the decensed being attended by Surgeon circulars and forms received may be seen on the Captain Borrodaile. The deceased, who. I think, notice board of the Odd Volumes society. Thanking you for the insertion of this. - Yours truly.

C. H. GALE, F.I.I., A.M.I.U.E. Hongkong, 16th February, 1895. THE BANK MEETING.

TO THE EDITOR OF THE "DAILY PRESS." SIR, - When the Chairman said that it is edsior to swim with the stream did he refer to the Mr. Modebouse—The deceased was dressed in a matter of exchange only or to the general control bia in matter of exchange on the general control bia in matter of exchange on the general control bia in matter of exchange on the general control bia in matter of exchange on the general control bia in matter of exchange on the general control bia in matter of exchange on the general control bia in matter of exchange on the general control bia in matter of exchange of the general control bia in matter of exchange of the general control bia in matter of exchange of the general control bia in matter of exchange of the general control bia in matter of exchange of the general control bia in matter of exchange of the general control bia in the gener waistoos t. which was placed over white pyjamus. Which the Directors are supposed to exercise over | Cape S.James ... and brown almoss. He had no turben on: What the affairs of the tiank? It the former it is the affairs of the Bank? If the former it is on the 1-th at 11.5 a.m. Foregast :- Baromatet rising ; generally understood that this is left, and fresh R.R. winds cloudy, some driving rains

TRE FORERCHO DATLY PRICE, MONDAY PRESTARY 1816, 1864. said that in bad times the directors get all the would have been more correct to have said that in

Witness-I conclude that he hed been called bad times they take from the shareholders' dim-Hank paid no dividend, and when most of the fees all the same. The Chairman in his concludthat is correct I do not see why they should Mr. Wodehouse-We do n t know that it was claim the credit when things go well. He is also reported to nave said that the directors find Witness-Well, it might have been a pistol; it corribly trying to add to the troubles of their with great judgment in the earlier part it was not a ride. The doctor told me it was a own businesses the serious responsibility of others' affairs At \$5,000 per annum for half an hours

meetings, I think of proposing next half year that the number of directors be reduced to five and that the remuneration be one thousand dollars per annum each. I feel quite coulident.

NEWS VIA AUSTRALIA AND AMERICA.

Hongkong, 16th February, 1895.

EQUALLY WELL.

INTERNATIONAL ARBITRATION. WASHINGTON CITY, 14th January Senator Sherman to-day introduced a bill At This point Mr. Wodshouse adjourned the | providing for parrying into effect the international arbitration resolution adopted by Congress in 1890, by asking the president to conduct such negotiations as it provides for through the he may determine on, "for the purpose of instituting negotations with them for the creation of a tribunal of international arbitration. and other appropriate means whereby difficulties and disputes between nations may be peaceably and amioably settled."

THE DISTRESS IN NEWFOUNDLAND. LONDON, 15th January. The Allan line steamer which left Liverpoolto-day carried large supplies of fond and clothing mander W. C. H. Hastings had before bim to alleviate the distress in Newfoundland. The Harry Holmes, private No. 108 in the Rife supplies together with a snug sum of money, were contributed by relief societes which have with assaulting P.C. Singh whilst in the been organized in the north of England and On Bomsaw. execution of his duty. Prisoner was further Scotland. A similar contribution was also sent charged with assisting a prisoner to escape from on the Assyrian which left Glasgow on Saturday

THE EMPEROR WILLIAM'S SPEECH. BERLIN, 15th January. The Prussian Diet was opened at noon to-day up, and saw P.C. 632 with a red-coated soldier in by Emperor William, who read the speech from bis custody. Witness took hold of the soldier, the throne. He began by saying the Prussian and proceeded to take him to the Police Station. budget showed a delicit, which he hoped would When outside the Soldiers' and Sailors' Institute, disappear on the accomplishment of the proposed about 25 members of the Rifle Brigade came out financial reforms by the Reichstag. After anof the Institute. Defendant was amongst them, nouncing bills for the extension of state railways and he struck witness over the head with a stick, and other domestic measures, the Emperor drew and discoloured his left eye. The whole of the attention to the fact that the heavy gales and Rifles then set about him and succeeded in res. floods of the last few weeks had caused great cuing the prisoner. Witness then went back devastation on the Prussian islands, off the coast. to the station, and on returning with other con- and in the North Sea, adding that the necessary stables, met the defendant in Queen's Road, steps would be taken for the adoption of measures to repair the damage. Recarding hosbandry, His Majesty regretted that its condition continued unfavorable, adding : "To counteract this will be the object of my unremitting paternal solicitude and the most pressing duty of my government." In conclusion the Emperor ap-

pealed to all patriotic men for concord and unanimous co-operation against the growing attacks upon the institutions of the state. WEW EEALAND FINANCES. AUCKLAND, 19th January. The New Zeeland financial returns show a deficit of £:4,000 for the nine months ending
